League to mang / coach in: _____ Manage [] / Coach []

If selected as a Manager or Coach in this organization, you will be expected to encourage your parents to participate by volunteering for actives that help this organization run smoothly and remain successful. However, you should also be prepared to perform extra duties such as field maintenance, field work day, ball program projects, working in the concessions stand or any other volunteer events that come up during the season.

Managing or Coaching is a privilege that commands dedication and commitment. All Coaches, most importantly Managers, are expected to be present at all practices. The Softball committee will select all Managers and Coaches for the 2021 Spring/Fall season. The Cape Fear Optimist board of directors will approve the Managers and Coaches. A club member will get a team before a non-member will. This is a club rule that has been in effect for years. There is a \$25.00 coach/manager fee for non-members.

Our insurance company requires us get a background check on managers and coaches, team moms and dads. Background checks will be provided by Castle Branch, Inc. The cost will be \$15.00 due when you submit the attached release form and return to the Cape Fear Optimist Ball committee by Feb.29, 2021 for Spring or August 15th, 2021 for Fall.
